International Childrens Day

On Thursday 20th November the school will be celebrating International Childrens Day. The children will be taking part in fund raising for UNICEF and learning about the rights of the child.

For two weeks leading up to the celebration we will be welcoming an American artist Lon Williams, who will be designing and carving a totem pole with the children to mark International Childrens Day.

Parking

May we remind all parents to take care when parking, not to obstruct or park over driveways of surrounding houses. This is causing great distress and disruption for our residents and has resulted in several complaints to the school.

Reminder

The photographs have now been taken within school and proofs returned to parents. We request that all orders are returned to school by **MONDAY 10TH NOVEMBER.**

Medicine

Any medicine to be taken by children during the school day **must** be handed into the office, and a form completed and signed by the parent/carer.

Peer Massage

This week year 2 have started the peer massage pilot scheme within the classroom. They have enjoyed learning and taking part, and if it continues to be successful we will hopefully be able to continue this throughout the school.
