Dear Parents/Guardians,

Welcome back. It has been lovely to see all our children so smartly dressed and ready to start a new academic year. A very special welcome to all the children and families who have joined our school community. We look forward to working with you all throughout the coming year. The beginning of year meetings with parents (Year 1 – Year 6) will take place commencing Monday 21st September. The purpose of this meeting is to allow you to meet your child's new teacher, discuss any issues or concerns you may have and to answer any questions you have regarding the curriculum for the coming year. This meeting supports the smooth transition into a new year group.

Religious Education – Here I Am

This week the children have begun the topic of Beginnings. In this topic, the children explore their own and the class' family roots, recognizing that some families come from different villages, towns and countries. They hear what the Bible says about the beginnings of the human family in Scripture – the roots of everyone and everything, the whole of creation, to be found in God.

Each family will shortly receive an overview of the topics that we will be covering through our Religious Education programme this academic year.

Collection of Children

We ask all parents and carers of Infant children to inform the office if plans change, regarding the collection of your child at the end of the school day. This is important to ensure the safety of your child and trust you will support us in this matter.
